## Tips

$\checkmark$ Be prepared. Keep washed, ready-to-eat produce on hand so it's always available.
$\checkmark$ Be creative. Add diced tomatoes, carrots, broccoli, onions, and mushrooms to sauces, pizza, soups, and casseroles.
$\checkmark$ Be a role model. Other family members are more likely to eat fruits and vegetables if they see you eating them.
$\checkmark$ Don't give up. You may need to see or taste a food 7 to 10 times before you like it!
